

Dacia Sandero

The smarter **supermini**

This is what
an all-rounder
– looks like

A little more about our **new range**

Dacia fully supports the introduction of the new emissions testing procedure, called 'Worldwide Harmonised Light Vehicle Test Procedure' (WLTP). WLTP represents a positive change to provide consumers with fuel economy and emissions data which is more representative of the results you may achieve in real life.

Be ready **for anything**

Modern life is mad. One day you're commuting in the city. Next day you're packing up for a family adventure weekend. Luckily, the Sandero can keep up with your lifestyle like a champ.

Its fluid lines, defined curves and honeycomb grille are proof that affordable doesn't mean dull. While a choice of rigorously-tested engines and surprisingly robust suspension mean it's equally inspiring behind the wheel.

You can also relax with Hill Start Assist, ABS, **Electronic Stability Control** and front and side airbags, as standard. Everything you need for a smooth and peaceful ride.

Fancy chilling out with air conditioning?
Or rocking out to your favourite tunes on DAB or your phone using Bluetooth®, Apple CarPlay™ or Android Auto™*?
It's all possible with your Sandero.

* Available on vehicles built from December 2018. Compatibility: An iPhone no earlier than iPhone 5 & iOS 7.1, an Android 5.0 (Lollipop). Connecting a smartphone to access Apple CarPlay™ or Android Auto™ should only be done when the car is safely parked. Drivers should only use the system when it is safe to do so and in compliance with the requirements of The Highway Code. Drivers should be aware of the potential of hands-free technology to distract a driver's attention from the road, preventing them from having full control of the vehicle.

Watch this **space**

Just how comfortable, roomy and practical can a supermini get? Step inside and see for yourself.

With five proper seats onboard, you'll find plenty of room for the whole family. The **split-folding rear seat** and **320 litre boot** mean there's space for all your stuff too. From a fortnight's groceries to the kids' sports kit, it'll all fit in – no sweat.

Keep your cool with **air conditioning** in the Essential and Comfort models. And don't worry too much about muddy paw prints or feet on the seats. The black cloth seats are as hard-wearing as they are comfortable. Or if you fancy a little bit of luxury, choose the Comfort model with **leather seats**.

Of course, your safety is everything. That's why the Sandero comes with **four front airbags** as standard. Visual and audible warnings let you know if anyone's not wearing their seatbelt. And **child locks** help keep little ones safely where you can keep your eye on them.

The tech **you need**

We don't do unnecessary nonsense. But we do let you pick from gadgets that keep you connected, safe and entertained in your **Sandero**.

Like DAB, FM and AM radio as standard in the Essential model. Or the handy AUX and USB inputs, for the times only your own tunes will do. If you need to make or take a call, do it safely with Bluetooth™ connectivity*.

Add to all that our **Comfort** model's 7" Touchscreen MediaNav system, with Apple CarPlay™ and Android Auto™ capability*. Its SatNav with voice guidance makes light work of navigation. So you'll never get lost again, probably.

Navigation

Provided by Navteq with vocal guidance.

Radio

Listen to DAB, FM or AM radio.

Phone

Bluetooth® technology* allows you to make and receive calls on the move.

Music

DAB/FM/AM tuner, connect devices via USB and AUX sockets.

* WLTP figures shown are for comparability purposes; only compare figures with vehicles tested to the same technical procedures. Actual real world driving results may vary depending on factors such as weather conditions, driving styles, vehicle load or any accessories fitted after registration. WLTP is a new test used for fuel consumption and CO₂ figures however until April 2020 the CO₂ figures are based on the outgoing (NEDC) test cycle which will be used to calculate vehicle tax on first registration. Please visit [dacia.com.cy/configure](https://www.dacia.com.cy/configure) for WLTP figures for any selected options.

The Dacia way

Fifteen years isn't long. But in that time we've grown from unknown to international warriors. We've sold 5 million Dacias globally since 2004.

It takes something different to make an impact like that. And we've got different by the shed-load.

See, we think practicality should always come first. No silly frills, just exactly the kit and quality you need. So that's what our simple range of smart, reliable cars give you. Our prices are always clear and remain shockingly affordable.

Maybe that's why we've been one of the **fastest growing car brands** in Europe since 2004. Or maybe it's the awards we keep winning like our most recent award Autotrader's best value brand 2018. Don't just take our word for it – check out our trophy cabinet and our genuine customer reviews on **Dacia.com.cy**.

Did you know we're part of the **Renault Nissan Mitsubishi Alliance**, and share our head office with Renault? That means we also share Renault's **nationwide dealer network**. So if you want to pop in for a look, chat or test drive, chances are we're pretty close by.

Take your **first adventure**

Make a smart choice today.
