

Dacia Duster

Introducing Dacia Duster

Rugged, robust, no-nonsense: these are words to describe Dacia Duster. It's a car to help you take on any challenge.

Practicality and functionality are at the heart of Duster's clever design. It can carry up to 5 people and has up to 475 litres* of boot space to house their luggage. With the back seats folded down, New Duster's load capacity expands up to 1,636 litres*. Useful? Thought so.

The design turns heads but there's function behind the form, too. All versions come with ABS and ESC (Electronic Stability Control) as standard. Duster's high ground clearance and wide approach and departure angles are designed to tackle difficult obstacles over tough terrain. Beneath the surface, a selectable 3-mode 4-wheel-drive system**, developed using Nissan's expertise, also provides grip where you need it most, off the beaten track or during hazardous road conditions.

Times have changed. Driving a 4x4 used to be the reserve of a privileged few. With New Dacia Duster, it's a pleasure more of us can enjoy. Priced from just €16,690 on-the-road, New Duster offers supersize space for supermini prices. Its economical and ecological dCi 110 diesel engine achieves over 4.4 l/100km on the combined cycle and emits exceptionally low levels of CO₂ for an SUV: just 115 g/km on 4x2 versions and 123 g/km on 4x4 versions.

Because everybody's different, Dacia Duster concentrates on the essentials rather than the unnecessary. With three simple trim levels, one engine and a range of accessories, it's easy to choose the New Duster to suit you. From the affordable Alternative, to the luxurious Prestige. There's a New Dacia Duster for everyone.

*4x2 versions only **4x4 versions only

Discover the new 2017 Special Edition: SE Summit

As the name suggests, SE Summit sits at the top of the range. In addition to the Prestige features such as electric front and rear windows, MediaNav touchscreen navigation and rear parking camera, there's some extra kit for those who want the highest levels of equipment. It features 16" Diamond-cut 'Cyclades' alloy wheels, an exclusive new metallic colour (Nordic Grey), outdoor body kit, Burnt Orange interior and upholstery touches and a rear parking camera.

Equipment

All the standard features of Prestige trim including:

- Cruise control and speed limiter
- Electric front and rear windows
- MediaNav touchscreen navigation

Dacia Duster

Network

To find your nearest Dacia dealer, please consult the dealer locator on our website at www.dacia.ie. Alternatively, you can call our Dacia Customer Services helpline on 1890 771 771.

Servicing

The service interval on all versions of Dacia Duster is 1 year or 20,000 km, whichever limit is reached first. Your local Dacia dealer is fully equipped to service your Dacia Duster.

Warranty

Your new Dacia is covered by a standard 3 year / 100,000 km* Warranty package. Under the terms of this Warranty, your Dacia dealer is able to repair or replace, without charge, parts that are found to have a material or assembly defect that is recognised by Dacia. Your new Dacia also comes with a 2 year paintwork warranty, as well as a 6 year anti-corrosion warranty.

Extended Warranty

At Dacia, we don't force you to pay a premium for a longer warranty if you don't want one, but we'll offer you the opportunity to purchase one if you do. By extending your warranty, you'll benefit from ongoing protection from mechanical and electrical failure after the standard manufacturer's warranty has expired. You can choose to extend your Warranty to the following levels:

- 5 years / 200,000 km*

Roadside Assistance

We don't expect it to happen, but we'll ensure help is on hand if it does. In the event of a breakdown, help is just a phone call away with Dacia Assistance. This service is provided 24 hours a day, 365 days a year. We'll provide prompt roadside assistance in Ireland for the first 3 years / 100,000km*, in line with the terms of the standard manufacturer's Warranty.

* From first date of registration. Warranty expires on the first of the two limits reached.

The utmost has been done to ensure that the content of this publication is accurate and up-to-date when going to press. This document has been created on the basis of pilot lots and prototypes. As part of its ongoing product improvement policy, DACIA reserves the right to modify the specifications, vehicles and accessories described and shown at any time. Such modifications are communicated to DACIA dealers as quickly as possible. Depending on the country of sale, certain versions may differ and certain equipment may be unavailable (as standard, optional or accessory). Please contact your nearest DACIA dealer for the latest information. For printing reasons, the colours which appear in this document may differ slightly from the actual paint and the upholstery colours. All rights reserved.
