

New Dacia Sandero

1 July 2017

Welcome to Dacia

You've probably realised by now, but we're not your usual car brand. We began with the dream that more people should have the opportunity to own a new car. To make it a reality we created a range that combines space and quality at an unbelievable price. We believe in function over frivolity and that by being simple, reliable and smart we can make a real difference.

Dacias are cleverly designed, reassuringly robust and incredibly reliable. They're also shockingly affordable because we only ask drivers to pay for what they need, not the fancy extras they'll never use. It's an approach that has rewarded us with incredible growth across Europe since 2004 and won us more awards than we know what to do with.

We hope you like what you see and will join us in the Dacia family.

Our awards

We don't tend to make a song and dance about our cars. It's not our way. But that's fine, because lots of people are happy to do it for us.

When it launched in the UK in 2013, the Dacia Sandero won the What Car? Best Small Car Under £12,000 award. It's gone on to win it every single year since.

Dacia was also voted the 4th most reliable car brand in the 2016 Which? Car Survey – receiving a 90% satisfaction score based on feedback from more than 59,000 UK car owners reliability survey.

It just goes to show – if you refuse to compromise, anything is possible.

Introducing New Dacia Sandero

Like attractive design? Need a spacious interior? Want modern technology, but don't want to break the bank? Say hello to New Dacia Sandero.

Big car features, big space.

Beneath its svelte form lies ample space for five adults. A split-folding rear seat and 320 litre boot make transporting luggage simple. Electronic Stability Control, anti-lock brakes and four front airbags ensure safety as standard. New styling features are also bound to impress; including restyled front and rear bumpers, new front grille, and LED day time running lights. Air conditioning is now standard from Ambiance trim - giving you what you need.

Big car technology.

Want cutting-edge design that's also intuitive to use? No problem. Lauréate trim is for you: the MediaNav fully-integrated touchscreen multimedia system, featuring Bluetooth[®] connectivity and satellite navigation, is standard; and rear parking sensors will give you that added peace of mind about town. With a new and improved interior, you can now also experience DAB radio on all trim levels (except Access). Then, there's the state-of-the-art TCe 90 3-cylinder petrol engine (available on Ambiance Trim and above), which combines impressive performance with frugal fuel consumption and CO₂ emissions of just 109 g/km*. Which means savings for you and the environment.

Engines

At Dacia, we believe that having an affordable car shouldn't mean having to compromise on engine quality. Rigorous testing of Dacia engines is carried out at our state-of-the-art test centres, with each variant undergoing 20,000 hours of running on the test bench and 800,000 kilometres of test driving.

The Dacia Sandero offers you three types of engine.

The new SCe 75 engine offers you 73 hp from its 3-cylinder, 1,000cc engine achieving 54.3 mpg combined and CO₂ emissions of 117g/km*.

The TCe engine brings you more performance without excessive price. Thanks to turbocharging technology, the TCe 90 produces 90 hp from its 3-cylinder, 900cc engine, yet still achieves 57.7 mpg combined and CO₂ emissions of 109g/km*.

For those seeking ultimate fuel efficiency, the dCi 90 diesel engine achieves 80.7 mpg combined and only 90g/km CO₂*.

Network

To find your nearest Dacia dealer, please consult the dealer locator on our website at www.dacia.co.uk. Alternatively, you can call our Dacia Customer Services helpline on 0344 3351111.

Roadside Assistance

We don't expect it to happen, but we'll ensure help is on hand if it does. In the event of a breakdown, help is just a phone call away with Dacia Assistance. This service is provided 24 hours a day, 365 days a year. We'll provide prompt roadside assistance in the UK and Northern Ireland for the first 3 years / 60,000 miles*, in line with the terms of the standard manufacturer's Warranty.

Servicing

The service interval on all versions of Dacia Sandero is 1 year or 12,000 miles, whichever limit is reached first. Your local Dacia main dealer is fully equipped to service your Dacia Sandero.

For customers who prefer to budget their costs monthly we offer the options to pay for servicing through finance. For more information please refer to your Dacia dealer or the Dacia Price Guide.

For full Service Plan terms & conditions please visit www.dacia.co.uk/services-and-finance/service-plan

Warranty

Your new Dacia is covered by a standard 3 year / 60,000 mile* Warranty package. Under the terms of this Warranty, your Dacia dealer is able to repair or replace, without charge, parts that are found to have a material or assembly defect that is recognised by Dacia. Your new Dacia also comes with a 2 year paintwork warranty, as well as a 6 year anti-corrosion warranty.

Extended Warranty

At Dacia, we don't force you to pay a premium for a longer warranty if you don't want one, but we'll offer you the opportunity to purchase one if you do. By extending your warranty, you'll benefit from ongoing protection from mechanical and electrical failure after the standard manufacturer's warranty has expired. You can choose to extend your Warranty to the following levels:

- 5 years / 60,000 miles*
- 7 years / 100,000 miles*

For full Warranty Terms & Conditions visit www.dacia.co.uk/services-and-finance/warranty

* From first date of registration. Expires on the first of the two limits reached. Subject to status, terms and conditions apply. The monthly Service plan offer is available at point of signing agreement for vehicle purchased under HP and PCP finance agreement provided by Dacia Finance.

Although every effort has been made to ensure that the information contained within this brochure is as accurate and up to date as possible, Dacia UK reserves the right to modify its models without notice, including their characteristics, specifications, equipment and accessories.
