

Dacia Sandero

The smarter **supermini**

This is what
an **all-rounder**
– looks like

A little more about our **new MY18 range**

Dacia fully supports the introduction of the new emissions testing procedure, called 'Worldwide Harmonised Light Vehicle Test Procedure' (WLTP). WLTP represents a positive change to provide consumers with fuel economy and emissions data which is more representative of the results you may achieve in real life.

Be ready **for anything**

Modern life is mad. One day you're commuting in the city. Next day you're packing up for a family adventure weekend. Luckily, the Sandero can keep up with your lifestyle like a champ.

Its fluid lines, defined curves and honeycomb grille are proof that affordable doesn't mean dull. While a choice of rigorously-tested engines and surprisingly robust suspension mean it's equally inspiring behind the wheel.

You can also relax with Hill Start Assist, ABS, **Electronic Stability Control** and front and side airbags, as standard. Everything you need for a smooth and peaceful ride.

Fancy chilling out with air conditioning?
Or rocking out to your favourite tunes on DAB or your phone using Bluetooth®, Apple CarPlay™ or Android Auto™*?
It's all possible with your Sandero.

* Available on vehicles built from December 2018. Compatibility: An iPhone no earlier than iPhone 5 & iOS 7.1, an Android 5.0 (Lollipop). Connecting a smartphone to access Apple CarPlay™ or Android Auto™ should only be done when the car is safely parked. Drivers should only use the system when it is safe to do so and in compliance with the requirements of The Highway Code. Drivers should be aware of the potential of hands-free technology to distract a driver's attention from the road, preventing them from having full control of the vehicle.

Watch this **space**

Just how comfortable, roomy and practical can a supermini get? Step inside and see for yourself.

With five proper seats onboard, you'll find plenty of room for the whole family. The **split-folding rear seat** and **320 litre boot** mean there's space for all your stuff too. From a fortnight's groceries to the kids' sports kit, it'll all fit in – no sweat.

Keep your cool with **air conditioning** in the Essential and Comfort models. And don't worry too much about muddy paw prints or feet on the seats. The black cloth seats are as hard-wearing as they are comfortable. Or if you fancy a little bit of luxury, choose the Comfort model with **leather seats**.

Of course, your safety is everything. That's why the Sandero comes with **four front airbags** as standard. Visual and audible warnings let you know if anyone's not wearing their seatbelt. And **child locks** help keep little ones safely where you can keep your eye on them.

The tech **you need**

We don't do unnecessary nonsense. But we do let you pick from gadgets that keep you connected, safe and entertained in your **Sandero MY18**.

Like DAB, FM and AM radio as standard in the Essential model. Or the handy AUX and USB inputs, for the times only your own tunes will do. If you need to make or take a call, do it safely with Bluetooth™ connectivity*.

Add to all that our **Comfort** model's 7" Touchscreen MediaNav system, with Apple CarPlay™ and Android Auto™ capability*. Its SatNav with voice guidance makes light work of navigation. So you'll never get lost again, probably.

Navigation

Provided by Navteq with vocal guidance.

Radio

Phone

Actual real world driving results may vary depending on factors such as weather conditions, driving styles, vehicle load or any accessories fitted after registration. WLTP is a new test used for fuel consumption and CO₂ figures however until April 2020 the CO₂ figures are based on the outgoing (NEDC) test cycle which will be used to calculate vehicle tax on first registration. Please visit [dacia.co.uk/configure](https://www.dacia.co.uk/configure) for WLTP figures for any selected options.

Blue dCi Engines

Sandero benefits from the latest Blue dCi engines which are equipped with a system to reduce polluting Nitrogen Oxide vehicle emissions by injecting a urea-based fluid, AdBlue[®], into the exhaust system. A dashboard message will remind you when the AdBlue[®] needs topping up via the specific AdBlue[®] filling cap located next to the usual Diesel fuel filler cap. A full tank of AdBlue[®] will last for 6 full tanks of Diesel.

The Dacia Community

For us, going the extra mile doesn't stop at making great value cars. We take great pride in playing an active part in the community and giving back to communities throughout the UK. We support the life-saving work of the Nationwide Association of Blood Bikes. We proudly support Future Terrain, a charity that helps injured ex-service personnel back into employment through motorsport and vehicle engineering. We get stuck in as the official partner of Rugby League. Now the proud sponsors of the Nation England Rugby League teams for Men, Women, Wheelchair and Youth. We also run Dacia Days, which are full of fun and games for our amazing Dacia drivers - keep up to date with us on Facebook, Twitter, Instagram and our YouTube channel.

Our Trophy Cabinet

We don't tend to make a song and dance about our cars. It's not our way. But it's fine, because lots of people are happy to do it for us!

We are almost embarrassed, but for 7 years in a row Sandero has won What Car? 'Best Small Car less than £12,000'.

And now the All-New Duster has been awarded 'Best Family SUV for less than £18,000' by What Car? It was also crowned 'Best Off-Roader' in the Parkers New Car Awards. 2019.

To top it all off, Dacia even won 'Best Value Brand' at the Auto Trader New Car Awards 2018.

"There really are very few cars on sale in any class that can match the Duster's value-for-money offering"

What Car?

★★★★☆
"All-New Duster is a very impressive car"

CAR

★★★★☆
"In terms of sheer value, the second-generation Duster is very much in a class of its own"

Autocar

The Dacia way

Fifteen years isn't long. But in that time we've grown from unknown to international warriors. We've sold 5 million Dacias globally since 2004. And since we launched in the UK in 2013, 140,000 smart folk have bought themselves Dacias.

It takes something different to make an impact like that. And we've got different by the shed-load.

See, we think practicality should always come first. No silly frills, just exactly the kit and quality you need. So that's what our simple range of smart, reliable cars give you. Our prices are always clear and remain shockingly affordable.

Maybe that's why we've been one of the **fastest growing car brands** in Europe since 2004. Or maybe it's the awards we keep winning like our most recent award Autotrader's best value brand 2018. Don't just take our word for it – check out our trophy cabinet and our genuine customer reviews on **Dacia.co.uk**.

Did you know we're part of the **Renault Nissan Mitsubishi Alliance**, and share our head office with Renault? That means we also share Renault's **nationwide dealer network**. So if you want to pop in for a look, chat or test drive, chances are we're pretty close by.

Drop in; it's easy to find your local dealer at **dacia.co.uk/find-a-dealer**.
