A little more about **our range**

Dacia fully supports the introduction of the new emissions testing procedure, called 'Worldwide Harmonised Light Vehicle Test Procedure' (WLTP). WLTP represents a positive change to provide consumers with fuel economy and emissions data which is more representative of the results you may achieve in real life.

We've got you covered

You might think our shockingly affordable prices mean our cars aren't made to last. Actually, the Dacia range is one tough cookie. To prove it, you get a 3-year* warranty (or 60,000 miles, if you reach that first). This means we will replace any part which has been deemed by a Dacia approved dealer to be defective due to a manufacturing fault, free of charge. To keep the good times rolling, you can extend your warranty up to 7 years for a great price. We also give you a 2-year paintwork and 6-year anti-corrosion warranty, so you can kick back knowing that your Dacia will stay looking good-as-new for years to come.

Roadside assistance

Although our cars are built for plain sailing, you can rely on us if you have a breakdown – 24/7 365, wherever you are in the UK or Northern Ireland. This offer also stands for the first 3 years/60,000 miles^Δ after you buy your new Dacia.

Dacia car insurance¹

Dacia Insurance has been specifically created to provide superb protection for you and your car. Unlike most other UK insurers, in the event of an accident, your Dacia will be repaired at a Dacia Approved Bodyshop using only Dacia approved parts and approved repair methods. This maintains your Dacia's safety rating, protects its resale value and helps to maintain its Dacia warranty^Δ. Dacia Insurance also offers a courtesy car for the duration of a repair at a Dacia Approved Bodyshop.

The Dacia way

Sixteen years isn't long. But in that time we've grown from unknown to international warriors. We've sold 6.5 million Dacias globally since 2004. And since we launched in the UK in 2013, 190,000 smart folk have bought themselves Dacias.

It takes something different to make an impact like that. And we've got different by the shed-load.

See, we think practicality should always come first. No silly frills, just exactly the kit and quality you need. So that's what our simple range of smart, reliable cars give you. Our prices are always clear and remain shockingly affordable.

Maybe that's why we've been one of the **fastest growing car brands** in Europe since 2004. Or maybe it's the awards we keep winning like our most recent awards: **WhatCar? Car of the year 2020** or **BBC TopGear.com Awards 2019 Manufacturer of the Year!**. Don't just take our word for it – check out our trophy cabinet and our genuine customer reviews on **Dacia.co.uk**.

Did you know we're part of the **Renault Nissan Mitsubishi Alliance**, and share our head office with Renault? That means we also share Renault's **nationwide dealer network**. So if you want to pop in for a look, chat or test drive, chances are we're pretty close by.

Drop in; it's easy to find your local dealer at **dacia.co.uk/find-a-dealer**.
